

## PHASE 1 INFRASTRUCTURE WORKS LOGISTICS NORTH, A6 NEAR BOLTON

Client:

**Harworth Estates /  
DBK Partners LLP**

Summary:

Phase 1 Infrastructure works for a major new logistics park and environmental reserve on a disused open-cast colliery off the A6 near Bolton.

### PROJECT DETAILS

Construction of Phase 1 Infrastructure: new on-site highways (Section 38), including excavation and earthworks, carriageway and footway construction, foul and surface water drainage, new incoming services / utilities including liaison and coordination of SU's, ducting and street lighting. Extensive soft landscaping works including the excavation and lining of large flood swales, environmental works and extensive planting.
