

## BOUGHTON HEATH ROUNDABOUT, CHESTER SECTION 278 HIGHWAYS IMPROVEMENT SCHEME

Client:

**Commercial Estates /  
Bryan G Hall Consultants**

Summary:

Large section 278 Highway Improvement Scheme for a major housing development on the outskirts of Chester.

### PROJECT DETAILS

Amendments to and signalisation (contractor design & UPS) of the very busy Boughton Heath Roundabout at the junction of the A55 & A41. Installation of a SCOOT system, new pedestrian crossing within traffic controlled junction, realignment / widenings, extensive planning & resurfacing, new drainage, signs, lighting & markings. Diversion of SU equipment. Complex traffic management sequences and arrangements to maintain traffic flows with minimum disruption, in liaison with the Highways Authority, Emergency Services, Bus Operators and the travelling public
