

PUBLIC REALM IMPROVEMENTS IN FRONT OF RAILWAY STATION, CHESTER CITY CENTRE

Client:

Cheshire County Council
(now Cheshire West & Chester Council)

Summary:

Public Realm Improvement Scheme in Chester City Centre, in front of the busy railway station.

PROJECT DETAILS

New carriageway surfacing, footways & hard landscaping in high quality materials in front of a busy railway station. Works included planing & resurfacing, construction of footways, kerbing, ducting & drainage. All associated lining, signing & traffic management. Extensive PR, access to the railway station, taxis and adjacent hotels and businesses maintained at all times.
