

## S278 HIGHWAY WORKS M61 JUNCTION 4 ROUNDABOUT NEAR BOLTON

Client:

**Bolton Council**

Summary:

S278 Highway Works for the Logistics North Development at the old Cutacre opencast site off the A6 Trunk Road near Bolton

### PROJECT DETAILS

Highway improvements to the M61 Junction 4 roundabout and existing A6 roundabout to improve traffic movements to the large new development. Works included the installation of new traffic signal ducting, widening of the existing carriageway to form additional running lanes, kerbing, drainage, new street lighting, resurfacing, new signs and lining. All associated traffic management.
