

REFURBISHMENT OF PARAPET VALLEY BRIDGE, SCARBOROUGH

Client:

**North Yorkshire
County Council**

Summary:

Refurbishment of high level
Valley Bridge, Scarborough,
North Yorkshire.

PROJECT DETAILS

Full parapet repair using previously stored cast iron components, prepare/repair & repainting of parapet posts, lattice infill panels & lighting columns.

The works also involved minor repairs to stonework, anti-suicide fencing & lighting columns, re-waterproofing of bridge deck & replacement of existing expansion joints, resurfacing, repairs & re-painting of steelwork below deck level, cleaning & overhauling of bearings.
