

HORIZONTAL DIRECTIONAL DRILLING AT KNOWSLEY STREET LIGHTING - KNOWSLEY, LIVERPOOL.

Client:

**AK Lighting
& Signs Ltd**

Summary:

Installation of new street
lighting

PROJECT DETAILS

The installation of approximately 1200m of 63mm street lighting duct.

Installation were along two footpaths next too busy roads, both of which had restricted working hours. Due to our short working window drilling was trialed to reduce the project time

GROUND CONDITIONS

- Predominantly Clay
